

Welcome to speciality show of Portuguese Podengos!

Here is the number for your dog. Please take the number and vaccination documents with you.

Entrance

Vaccination control begins at 8:00. Dogs must arrive at the show site at least 1 hour before the estimated time of judging, but no later than at 12.00. All dogs must have a pet passport/vaccination certificate. If the entrance is denied due to the invalid vaccinations, there will be no reimbursement of the entry fee.

This show is organized together with Finnish Pharaoh hound and Ibizan hound Club.

Show place

Address is Kyröntie 16, 21800 Kyrö, Finland.
Place is sport field, behind of Elisenvaara school.

Dogs that do not participate in the show are welcome and they have same vaccination and identification rules.

Information

Vaccination instructions

The shows are subject to the vaccination directions approved by the Finnish Kennel Club. All dogs participating in shows or trials must have a valid certificate of vaccinations against distemper and rabies. Please, check the custom regulations for importing dogs to Finland. Check also your own country's regulations for safe return.

Distemper vaccination:

The dog must be vaccinated at least twice against distemper and at least 21 days must have expired between the second (booster) vaccine and the show before dogs may be shown. Vaccinations for dogs under one year old are valid for a year. Booster vaccinations for dogs over one year old are valid for two or three years according to the recommendations of the manufacturing laboratory.

Rabies vaccination:

At least 21 days must have expired between the dog's first rabies vaccination before the dog may take part in the show. Rabies vaccination given to a dog under one year old is valid for one year. From then on the Rabies vaccinations are valid according to the recommendations of the manufacturing laboratory. If vaccination has expired it must be renewed at least three weeks before showing or competition (three weeks warning period).

Further regulations

In case of distemper, infectious hepatitis, kennel cough or other infectious respiratory infection, parvo virus, diarrhea or other infectious gastroenteritis, the dog is not allowed to show before at least two weeks have passed without symptoms. The same limitation applies to symptom free dogs of the same household. External and internal parasite infections shall be duly treated before a dog is allowed to attend shows, tests or competitions.

Anti-doping

The Anti-Doping rules concern all the shows approved by the Finnish Kennel Club. Visit also the Finnish Kennel Club Anti-Doping site for current information.

Identification

All the dogs that are participating at the show must be identified by a microchip or clearly readable tattoo.

Microchip must be in accordance with ISO 11784/11785 Standard.

Other info

There is a buffet where you can buy little snacks with coffee. You can pay with cash and Mobilepay.

When you arrive and register at vaccination check, you will receive one free catalog.
